**Subject:** Re: Area 40 RAP

Thanks Chris. These documents should be available on Estor. I was just coordinating w/ management to allow public access.

-Pete

**Subject:** Area 40 RAP

Hi Everyone – The revised Draft RAP and CEQA documents were placed in the repositories yesterday in advance of the public comment period, which begins today. Appendix A of the RAP includes the public notice and fact sheet. Electronic versions of the two documents are attached.

Please let me know if you need a hard copy of either of these documents. Thanks, Chris
